Happy 100th Birthday! Welcome to the Centenarian Club!

Jan. 11, 1922- 100 years...1,200 Months...5,214 Weeks...36,500 Days...876,000 Hours... Welcome to the centenarian club Anna Maria South resident Madeline Mannino! Family and staff members helped Madeline celebrate this amazing milestone with birthday wishes galore, along with a delicious cake and beautiful flowers. A surprise visit from Ann Womer-Benjamin, Mayor of Aurora, was an added bonus.

We are proud of being home to four other centenarians – Helen Hyla, Mary Lou Tesauro, Bob Paulus, and Mary Lee Hendee. Absolutely incredible. As well, many nonagenarians (a person over 90 years old) happily reside here. May God continue to bless all of our residents with continued good health, happiness, and LOVE.

Letizia (Lee) Spidalieri

Salve, Buon Giorno! Letizia (Lee) Spidalieri was born in Petrella, Italy (about two hours east of Rome) on February 15, 1940, to parents Raphael and Maria, joining siblings Guy, Tony, Benny, and Ida. When Lee was 15 years old, the family left Italy and moved to Pittsburgh, PA (yes, culture shock) to join Maria's brother and his 10 children. Lee recalls Pittsburgh being a "beautiful city," however, the language barrier was quite difficult as no one in the family spoke English. The Spidalieri family remained in Pittsburgh for about 3 years before moving to Cleveland, settling in the Collinwood area. Lee and her siblings enrolled at Mayfield High School, however, the language barrier once again proved to be too much, so Lee and her sister Ida dropped out and enrolled in cosmetology classes, which ended up being the best decision. The sisters worked at Mark and Franks Hair Salon in Beachwood. Ida only worked a few years as she moved back to Italy. Lee was an excellent at her profession; she was a gifted hair stylist and loved the camaraderie she developed with her clients. Though she had

many suitors and dated a slew of "fine young men," Lee never quite found that perfect guy and remained single. Many men liked her, even loved her, but she never liked/loved them back enough. Lee loved to travel and has traveled all over the world, with numerous visits to Italy (to visit family), Europe, Morocco, Las Vegas, and Florida. She was always on the move. Lee is very social and loves to dance, sing, and listen to music. Even now, one will find Lee with fingers snapping, toes a-tapping, and humming a song. If you listen closely, you may hear a bit of Italian here and there! Life has quieted down now a bit for Lee, however, she continues to enjoy socializing and meeting new people. A fellow resident also hails from Italy, so the two have many conversations in Italian. Just what are they saying? A quote from Lee: "Life changes for everyone. Sometimes big, sometimes small. It's beautiful when the change is good." A beautiful quote from a beautiful woman. May God continue to bless our Lee Spidalieri.

A look at what is going on...

Good Things are Worth Waiting For

And this sure was. After a hiatus of almost two years due to Covid and ongoing restrictions, our residents joyfully participated in mass last week with Father Shawn Conoboy of Our Lady of Perpetual Help Church. We are beyond thrilled to enjoy this ministry once again. Next scheduled mass is March 15th and 16th. Please consult the monthly calendars for all upcoming events.

B-I-N-G-O is Back at Kensington!

Residents LOVE their Bingo, and we are excited to once again play in a large group. We've moved the game to the dining room which is large enough to safely accommodate our eager bingo players. Back to normal, one small game at a time!

We are ready to play

Robert H. is double-fisting!

Plenty of space for all to play!

Let it Snow, Let it Snow, Let it Snow....

Though we've probably had it with this white stuff, snowmen and snow "ruled the roost" last month with crafting at Kensington! As we know, residents love, love to craft! Snowman lanterns and frames! A special treat? Ice cream made with freshly-fallen snow! Better than a snowcone! So, so good!

Celebrating Milestone Anniversaries

Congratulations to Shawn DiVincenzo, LPN (Kensington) and Sue Kocin, Dietitian (Anna Maria) on celebrating 15 and 10 years of service, respectively. We are fortunate that so many of our employees experience longevity here at Anna Maria and Kensington, which is rare in this day and age. For a few, Anna Maria has been their only employer. We are so proud of that! Congratulations again to Shawn and Sue!

Shawn D. (middle) with administrators Chris and Aaron

Warm and Fashionable... What a Winning Combination!

Well, according to Punxsutawney Phil, we have six more weeks of the cold and snow to look forward to. Oh dear! Keep that noggin of yours warm and looking good with a Campus of Anna Maria hat! Only a cool \$15.00 (cash or check). Get yours today! Available at the front desk of both buildings.

Every Resident, Every Family, Every Day

Whether that day is sunny, rainy, or snowy, like very snowy as in last Thursday and Friday! The administration of our family-owned and operated Campus of Anna Maria of Aurora simply went above and beyond to make certain our residents were cared for during this snowstorm by a well-staffed building. Please scan the QR code and check out this video on our website (News and Events) with our Community Relations Director, Evan Webster.

Baby Love

Congratulations to Sarah King (RN, Anna Maria Rehab Place) on the birth of her beautiful baby girl, Mackenzie Ann, who was born on Monday, January 10th. Sarah stopped in briefly for a visit, and of course, we were all ga-ga over this beautiful baby girl. Hopefully we didn't ignore Sarah too much.... Stop by again real soon please.

Twisting the Night Away

Our Friday weekly entertainment is returning, and entertainer Sam Frosh (a favorite) is so happy to be back! Our residents are happy too, especially Gary Brodie – he could have danced the night away!

Assisted / Independent Living

A look at what is going on...

Picnic Volleyball Anyone?

Residents really enjoy a good game of chair volleyball. We have a few serious contenders! Each week we have more residents wanting to join in the fun!

Marie R. – a perfect overhand pass!

A Friend in Need is a Friend Indeed

Even if that friend is a four-legged friend! Bowie (our in-house therapy dog) always seems to know when someone needs a hug!

Mary M. feels much better now!

Pizza Anyone?

With the cold and snowy weather as of late, it's been difficult for our independent residents to enjoy dining at a restaurant. So one day we had a pizza party lunch, courtesy of Gionino's Pizza, a favorite amongst the residents. Nothing beats a slice of delicious, cheesy pizza!

Dorothy A., Marion S., Mary F., and Ginny R.

Is it Spring?

Unfortunately, not yet, but these beautiful tulips sure made it seem like it was! The Giant Eagle in Solon will occasionally drop off flowers beyond the "sell by" date, and these colorful tulips made the cut one day. They sure made our day just a little brighter and happier!

Pizza makes for a happy group of people!

Valentines for our Soldiers

Back in early January, residents gathered together to create valentines for the soldiers overseas. Such a kind and thoughtful gesture. We mailed early enough in hopes they arrive in time to let our soldiers know how much they are appreciated.

so many of our residents were involved in this project

Lisa McFarland photobombs the picture!

Lauren Krozser (standing) supervises the card-making project

When the Owl Sings, the Night is Silent

The area in the back of the Anna Maria building is heavily-wooded, and a few of our employees enjoy taking a stroll during their lunch break. Jen Abercrombie (LPN) and Lisa McFarland (Al/IL Activities) spotted this gorgeous barred owl on one of their afternoon walks. Wow! Beautiful bird and an even better picture! Jen and Lisa are both nature enthusiasts; Jen has a passion for spotting and photographing owls.

A Little Library

Check out this cute little “library” house and feel free to check out a book! This house was made with love by the husband of Joanne Branks’ granddaughter, in honor of her grandparents. Joanne and her late husband Bill first moved to Anna Maria in December of 2016. The library house can be found in the Norwood dining room. Stop by, browse, and happy reading!

How Does Your Garden Grow?

Very nicely, thank you! Our indoor greenhouse (located in Norwood “B”) is sprouting, growing, blooming, and basically flourishing! We have an abundance of coleus (we need to keep cutting it back), as well as some fresh herbs. We’ll keep you posted on its progress!

Happy Hour

Happy Hour is always happier with good friends, good food, and good drinks! Our residents sure look forward to Happy Hour on Fridays. Always a great turnout. Residents enjoyed a new recipe, a creamy olive garlic dip. Even those who don't like olives liked it. Try it for yourself and see!

Punxsutawney Phil – What Gives?

Groundhog Day is the biggest day of the year for everyone's favorite marmot, Punxsutawney Phil. He emerges from his stump at Gobbler's Knob in Punxsutawney, PA, every February 2 to predict the weather. If he sees his shadow, we will supposedly get six more weeks of winter, but if he doesn't, we'll get warmer weather. What does Phil do the remaining 364 days of the year? (he's like Santa Claus – busy one day of the year).

- **Where does Phil live?** – Phil has a burrow at the corner of the town library. It has large glass windows so one can observe Phil doing "things" he would normally do in the wild
- **What is his favorite food?** – Bananas
- **Is Phil afraid of his shadow?** – Hibernation in the groundhog world means sleeping and eating. So, when Phil sees his shadow, he jumps right back into his burrow
- **Does he know when it's Groundhog Day?** – He's not in the stump on Gobbler's Knob all the time, so when he is, he knows it's time to greet his followers. He makes the best of it and is a pretty photogenic guy
