## Honoring Those Who Served... A Salute to our Veterans

The Campus of Anna Maria of Aurora, along with assistance from the Gardens of Western Reserve Hospice and army reservists, held a touching ceremony in honor of our veterans. We are proud to be the home of over 20 veterans, including several who served in World War II (about 325,000 WWII veterans are alive today). We presented each veteran with a pin and a certificate. May God continue to bless our veterans; we thank you for your service to our country. \*\*\* See page (4) for additional pictures.

## It's Beginning to Look (and Sound)....

Like Christmas! A group of our assisted and independent living residents attended the Holiday Organ Favorites at Trinity Cathedral. Such a beautiful picture!

### Here's a Great Holiday Recipe!

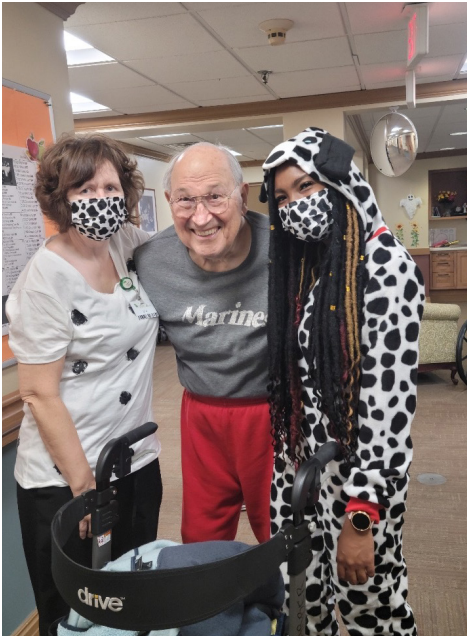

It's always fun to try new recipes during the holiday! See page (11) for a few favorites of our employees!

## CHARLES (CHUCK) BARBER

Charles (Chuck) Barber was born on May 11th, 1930, in Grand River, Ohio, just a few blocks away from where the Shula family lived (the great Don Shula – NFL football player and former head coach of the Miami Dolphins). Chuck was the youngest of the four Barber children. When he was one, the family moved to a farm in Mentor, on Hendricks Road, where the family lived for many happy years. At Mentor High School, Chuck was quite the active student. He was the quarterback of the football team, excelled at track and field (pole vault, shotput, and discus), sang bass and tenor in the choir, and was president of student council. Wow! Quite the popular kid! He graduated in 1948 and enrolled at Ohio Wesleyan University, majoring in business administration and accounting. Just like in high school, Chuck remained active during his college years, playing basketball, football, track and field, and enjoyed the “Greek Life” with the Phi Gamma Delta fraternity, where he was, of course, president. As busy as college life was, he did find time to work at a men’s clothing store on campus, Black Burns.

The photographer for the football team hung up some pictures of the football team one day in his shop, and a lovely young girl named Carolyn and her mother were going for a walk, passed the shop, and checked out the pictures. Carolyn pointed to one of the pictures with Chuck and said to her mother, “I’m going to marry that guy.” As fate would have it, Chuck was friends with Carolyn’s younger sister, Nancy, who later introduced the two. After graduation, Chuck joined the Air Force and served two years of active duty in Texas, Oklahoma, and Colorado, then four years of reserve duty. During this time, Chuck proposed to Carolyn, and she said YES!

They planned for a November wedding. Shortly after the proposal, Chuck decided that he really enjoyed his time serving in the Air Force and wanted to make a career out of it – obtain his wings and keep moving up the ranks. Though Carolyn respected his decision, she said she could not marry him. Chuck chose the love of his life over a military career and never turned back. The two married in November of 1954 as planned.

Having business degree, Chuck began a lucrative career in the sales division of a life insurance company, selling life and health insurance, retirement programs, etc. to corporations. He eventually became head of Human Resources at the corporate office in Hudson.

Chuck and Carolyn were blessed with a lovely family. Cheryl was born in 1956, and a few years later came along Elizabeth (Beth), followed by Charles Jr., aka Chip. All the kids were outstanding students and athletes; Chip, like his father, was quarterback of his high school football team.

Chuck has resided at Anna Maria for almost a year now, and he is quite happy. He has nothing but good things to say about the staff (they are the best, he says, as is our food). He remains as active as he can, and enjoys a nice lunch out with his many friends. A quote for the younger generation? “Have a firm foundation and belief in a higher power, trusting in God and that Jesus is your Lord and Savior – Your life will be completely different from what it was before” We are blessed to have Chuck Barber here with us, and we wish him continued good health and happiness.

## From the Holiday Kitchen of Sally Baltes

RN, Director of Nursing

### Ingredients

4-6 cloves garlic  
 1 1/2 cups fresh basil leaves, packed  
 1/3 cup walnuts or pine nuts  
 2 T. extra virgin olive oil  
 1 t. fresh lemon juice  
 3 – 8 oz. packages cream cheese, softened  
 1/3 cup freshly grated parmesan cheese  
 1 1/3 cups sundried tomatoes packed in oil, drained  
 1/3 cup tomato paste  
 1/2 cup butter, softened  
 Kosher salt to taste  
 Freshly ground black pepper to taste  
 Pita Chips

### Directions:

Finely chop garlic cloves in food processor; add basil, nuts, oil, and lemon juice. Process until well-blended. Add 1/3 cup cream cheeses, all parmesan cheese and pulses until just blended; place in a medium-sized bowl and set aside. Coarsely chop tomatoes in food processor; add tomato paste and blend until mixture is almost smooth; add 1/3 cup cream cheese and blend well; transfer to a small bowl and set aside. In a large bowl, mix remaining cream cheese and butter until fluffy, season with salt and pepper. Spray a 9" springform pan with non-stick spray and line with plastic wrap, allowing to drape over the sides.

Using a spoon dipped in hot water, spread 3/4 of cream cheese/butter mixture evenly on bottom of pan – top with half of the tomato mixture, then 1/2 cup of cream cheese/butter mixture, then pesto mixture. Repeat layers, topping with cream cheese mixture. Cover and chill 6 hours or overnight. Invert torta onto serving platter, carefully peel away plastic wrap, and serve with pita chips.

**ENJOY!**

## December is...

**The twelfth and final month of the year** in the Julian and Gregorian calendars, and is also the last of seven months with a length of 31 days. December is the first month of winter in the northern hemisphere, while it's the first month of summer in the southern hemisphere.

**The month for holidays**, with Christmas (12/25), Hanukkah (12/18), and Kwanzaa (12/26) all occurring within a few weeks of each other.

**“Read a Book” Month.** Visit your local library (yes, they still exist) or bookstore (Barnes & Noble, or Target has a nice selection) and check out a great book like the 2022 Barnes & Noble Book of the Year, *Lessons in Chemistry*, by Bonnie Garmus. Text BOOK to 330/472-3555 for a chance to win! For the kiddos, check out *The Unicorns Who Saved Christmas*, by Mary Winn Heider. Happy Reading!

## Calendar

**December 1** – Celebrate an icon on Rosa Parks Day

**December 2** – National Mutt Day. Consider adopting a pet from a local shelter

**December 10** – 2022 Heisman Trophy presentation, honoring college football's most outstanding player! Candidates will be announced on Monday, December 5th. \*\*\* How many Cleveland Browns players (current and past) have been Heisman winners? There's more than you think! Email your answer (name(s) and year awarded) to [jporemba@annamariaofaurora.com](mailto:jporemba@annamariaofaurora.com) for a chance to win a gift card. Good luck!

**December 12** – Poinsettia Day! This holiday staple is native to Mexico and Guatemala. While they have a reputation for being dangerous to pets, these lovely plants are not severely toxic

**December 21** – Winter solstice! The first day of winter officially begins! Don't worry, spring is right around the corner!
