## RESIDENT PROFILE

### ARTHUR WATHEY

What do you call a person who likes horses? A person who like horses! Arthur Wathey, a resident at Kensington at Anna Maria, likes horses, and has been around horses his entire life. From working on a horse farm during high school, to working at a racetrack (harness racing) later in life. In fact, Arthur's fondest memories are those involving his time spent around horses.

Arthur was born on January 16, 1935, in the town of Wellington, Ohio, a small village in southern Lorain county. Arthur, his brother Bob, and parents, Reginald and Hazel, were one big happy family, with the majority of their time spent with, you guessed it... horses.

After graduating from Wellington High School, Arthur accepted a position at LTV Steel, where he worked in the maintenance department as an assistant supervisor (he retired after 35 years). Arthur married and the union resulted in five children: all boys named Mark, Danny, Michael, Alan, and Kevin. Every Christmas, the family purchased a balled evergreen tree and would plant it outside. Over the years, more than 20 trees were planted along the side of the driveway, spilling into the backyard. What a wonderful reminder of cherished Christmas memories.

Arthur and his first wife divorced, and Arthur met his second and current wife, Shelly, at a Chancey's Pub in Pittsburgh, PA. The two dated for a couple of years before marrying in July of 1992. Arthur and Shelly were both living in Aurora at the time; they decided to sell both houses and build one, big beautiful house for the blended family (Arthur's five boys, and Shelly's son, Anthony). The family enjoyed vacationing in the Carolinas, relaxing on the beautiful beaches.

Arthur favorite pastimes include a good game of golf, dabbling in real estate (he worked as a realtor for a period of time), and remodeling (he added a sunroom and bedroom/office in his current home).

Arthur relocated to Kensington at Anna Maria after falling and breaking his kneecap last summer. May God continue to bless Arthur with health and happiness.

**Orlesia Williams, STNA.**

Congratulations to our Anna Maria Employee of the Month, Orlesia Williams, STNA. Though Orlesia has worked as STNA for only a few months (after working for four years as a caregiver in our assisted living area), she has demonstrated sincere compassion and dedication to our residents. She is a team player, always willing to assist her fellow co-workers. The day always seems to go smoother when Orlesia is here. Congratulations, and keep up the good work. We are thrilled to have you on our team.

### Lunch at Papous Tap & Grille

Thomas and Catherine Priester with Lisa McFarland

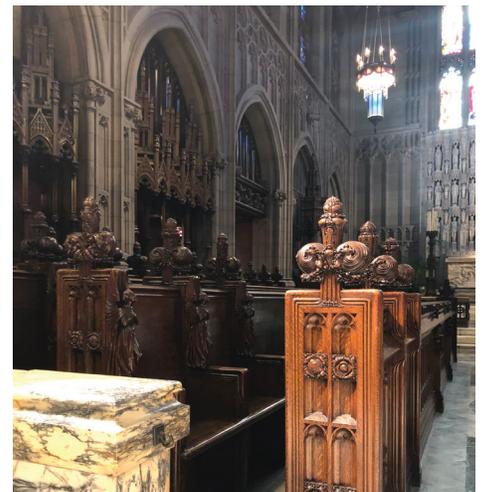

(l to r): Ernie Q., Ginger O., Millie C.

(l to r): Carol M., Jazmin W., Sandra L. can't eat another bite

The Norwood crew cruised down the road to one of the best-kept secrets in Aurora: Papous Tap & Grille. Featuring freshly-prepared burgers and the best gyro in town, Papous is a casual, family-friendly watering hole. Definitely a good and tasty choice of restaurants. We'll be back.

### Music & Art at Trinity Cathedral

It's back! Yes, the popular Wednesday "Brown Bag" concerts are back in session at the beautiful Trinity Cathedral in downtown Cleveland. We were fortunate to be able to attend "opening day" featuring Cleveland Institute of Music guitar students, Jason Vieaux and Colin Davin. Wow, what a performance. These concerts are excellent, and we look forward to attending.

## The Best of Friends?

A best friend  
is like a four  
leaf clover...  
Hard to find  
and lucky  
to have.

Bowie, Anna Maria's therapy dog, and Peanut, "grand" dog of independent living resident Flor Urso, may not be the best of friends (though Bowie would like to), Peanut does tolerate the shenanigans of Bowie. Either way, they are both way too cute!

## Flower Arranging with Ernie

What does one do when Giant Eagle donates a few bucketful of flowers? You hold an impromptu flower arranging session with "green thumb" Ernie Quesenberry (Anna Maria driver).

## Memories of the “Old” Anna Maria of Aurora “House”

**In last month’s newsletter, we asked for you to submit any memories you may have of the Anna Maria house. Six years ago, the house came tumbling down, enabling us to begin construction on the area which now houses our short-term rehab place, administrative offices, and hub area. Sit back, relax, and reminisce a bit!**

### **Millie Carr (Assisted Living Resident) -**

*...Many years ago, I can recall driving past the “house” and wondering what they were going to do with it. Soon, there were “wings” on the house. Then, a sign appeared: Anna Maria Nursing Home. We thought a Catholic organization sponsored the home, but as it grew to the property next door, we found out it was family-owned, named for the relatives of the owner. Our family physician, Dr. Edward Svec, often spoke of the home and how nice it was. Didn’t feel or look like an institution – it felt like a comfortable home... In 2015, I began looking at senior living facilities. Lo and behold, I came to live at Anna Maria! It stood far above the others, and I have no regrets about moving here!*

### **Becky Sharp (retired business office manager of Anna Maria)**

*...It was 1987, and I walked up the steps onto a porch of a house to apply for a job at Anna Maria. Inside the door was a closet for coats. A reception desk was on the left. To the right, open glass French doors leading to a living room complete with a fireplace... to the left were restrooms...down the hall were other offices – admissions, Director of Nursing, an accounting office, which had a bathtub in it (later removed to make room for another desk)... at the other end of the house, to gain access to the attic, one had to walk through the administrator’s office. A non-working bathroom with an unusual medicine cabinet (donated to the Aurora historical society), along with a kitchen sink could be found in the attic. This area was used for storage. The basement housed the washers and dryers. The offices of housekeeping and maintenance were located in the basement. Many, many happy memories of the Anna Maria house...*

## Phyllis Mendolera (retired dietary aide at Anna Maria)

*...I began working for Anna Maria back in 1983, working 3pm to 8:30pm. The kitchen was originally the two-car garage with a cement floor... the dishwasher was a push-button type....they added a plastic sheet to keep the dust out while they added a dishwashing room... I remember lots of construction in the kitchen... the dietary supervisor had a desk attached to the wall with a chair...*

## The Wave?

Why is everyone doing the wave? What's up with that? Assisted living residents are having way too much fun with a new entertainer group, Memory Lane Radio. One could not help but get "caught up" in the excitement and enthusiasm of the music.

Ashley H. (center) can't believe her soup is winning

The Campus of Anna Maria holds various fundraisers throughout the year to raise funds for the Alzheimer's Association. We are off to a good start as our first two fundraisers of 2020 were quite successful, raising more than \$1,400.00. Wow! We provided concessions at the 39th Annual Aurora Youth Travel Basketball Tournament at the Aurora High School. Walking tacos, all-beef hot dogs, pizza, homemade chili, fruit kabobs, and donuts were enjoyed and appreciated by the hungry spectators. Proceeds? \$1,100.00! \*\*\* Our annual Soup Cook-off raised over \$300.00. For only \$5.00, one could enjoy unlimited samples and one bowl of his or her favorite soup. Many thanks to those employees who prepared the most delicious pots of soup. We appreciate you! Though all the prepared soups were tasty and satisfying (on a cold, cold day), three winners were selected from each building. And the winners are...(drumroll, please)

Independent living folks enjoy a soup lunch

All donations from our concession stand benefitted the Alzheimer's Association – Way to go!

Be Our Guest!

Along with the aroma of a most delicious lunch! To help make Valentine's Day a bit more romantic for our married residents, the dining rooms of Anna Maria and Kensington were "transformed" into a romantic restaurant, where our couples enjoyed a bit a pure romance, along with a most delicious lunch. A bit of bubbly, flowers, candles, and music added to the intimate atmosphere. Sparks were flying! Many thanks to our wonderful activities and dietary departments for their assistance in making certain every detail was perfect!

# Mardi Gras (Fat Tuesday) Fun!

Michelle (activities) with Nancy D.

Who is the lady behind the mask?

Mary J. and a couple of Mardi Gras jesters

Did you know that Mardi Gras is an official state holiday in Louisiana, and parts of Alabama and Florida as well? Though it's not a recognized holiday here in Ohio, that did not stop us from having a wonderful time celebrating with lots of delicious goodies like Paczki and other sweets, and "hiding" behind colorful masks of gold, green, and purple. Mardi Gras is French for Fat Tuesday, reflecting on the practice of one final day of eating "junk" before the Lenten season. Too bad Mardi Gras comes around just once a year, for it sure is a lot of fun.

## Food for our Feathered Friends

What does one do with empty toilet paper rolls? Why, smear with peanut butter and sprinkle with bird seed, and hang out side for our feathered friends. Always looking out for our feathery friends.

Julia J. asks – Will you be my Valentine?

Carol Y. hands Angie S. a valentine rose

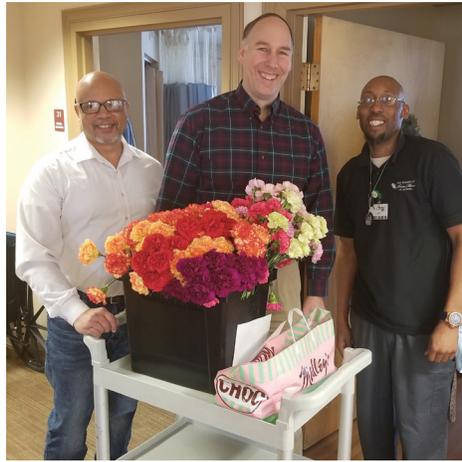

Yes, definitely! Though LOVE is always in the air on our campus, it was dripping with LOVE on the loveliest day of all, Valentine's Day! Residents were treated to lots of fun activities and festive food throughout the day.

Led by Kensington at Anna Maria administrator Chris Norton, along with Director of HR, Albert Berry, the duo strolled the halls of Kensington distributing carnations and Malley's chocolate bars to staff members, who were extremely appreciative of the kind gesture. Our staff is fortunate to have the support and "love" of our wonderful administration team.

**B-I-N-G-O**

It's certainly no surprise that Bingo is one of the most popular activities here at Anna Maria. Offered four times a week, it's always a full (and happy) house. We love our bingo!

## What in the World?

It may have looked like a space convention of some sort, however, it was our residents having a BLAST with virtual reality (VR). Virtual reality (VR) is a simulated experience using headsets to generate realistic images, sounds and other sensations that simulate a user's physical presence in a virtual environment. A person using virtual reality equipment is able to look around the artificial world, move around in it, and interact with virtual features or items. One resident took off in a hot air balloon, another visited an animal farm, another swam with dolphins in the ocean, and yet another sang along with a barbershop quartet. Many thanks to Cleveland Clinic Hospice for sharing this amazing program with our residents. It really "took off!"

## Congratulations Matt Walker!

Enjoying a great lunch

Congratulations to Matt!

Congratulations to Kensington at Anna Maria dietary aide, Matt Walker, on achieving 20 years of dedicated service to our campus. Matt was surprised with a luncheon featuring his favorite food: Hamburgers (grilled outside on the grill by administrators Chris Norton and Aaron Baker) along with beans, potato salad, and of course a cake. We so appreciate Matt's service and dedication to our campus. Thank you and congratulations!

## Spring...Right Around the Corner?

Could spring really be right around the corner? Cardinals and a sparrow were spotted in two of trees by the Anna Maria parking lot. Makes one hopeful that we are rounding third and heading home.

**MARCH** – Named for Mars, the Roman god of war. This was the time of year to resume military campaigns that had been interrupted by winter

March is the beginning of Maple Sugaring Weather! As spring nears, the sap in sugar maple trees thaws and the sugar in the sap rises up the tree. Cold nights are best for “sugarers” so our unseasonably warm winter may not be good for this year’s harvest. Time will tell...

March is National Nutrition and Fitness Month. Snack well, get 8 hours of beauty sleep, and track your steps!

**March 8** – Daylight Saving Time begins – set your clock to “spring forward” one hour

**March 14** – Pi Day! This is an annual celebration of the mathematical constant  $\pi$ . The first three significant digits of  $\pi$  are 3.14; it represents the ratio of a circle’s circumference to its diameter

**March 15** – March Madness begins with “Selection Sunday” with the announcement of the 68 tournament teams. First round begins on 3/17 in Dayton, Ohio. Last year, Virginia beat Texas Tech 85-77. Get ready to fill out your brackets!

**March 17** – Happy St. Patrick’s Day! Wear green and enjoy a delicious corned beef sandwich and perhaps a Shamrock shake? Did you know that Slyman’s Deli on St. Clair in Cleveland will serve more than one TON (2,000 pounds) of corned beef on this day? Wow!
