Happy 103rd Birthday Muriel Bergman!

Wow, 103 years – 1,236 months – 5,370 weeks – 37,595 days – Imagine being alive during World War I and II, the presidency of Franklin D. Roosevelt, the Great Depression, the swinging ‘50’s, and so much more. This lovely centenarian plus three has many stories to tell. *** Muriel enjoyed an afternoon with family, lots of good wishes, and of course cake. We wish her another year filled with good health and happiness.

Another Centenarian Plus Three! 5-18-1918

Last year, independent living “Norwood” resident Bob Paulus was enjoying all the fun activities here at Anna Maria. Then Covid hit. Bob ultimately made a decision to move out and live with his daughter residing in Twinsburg. Before he left, we featured Bob on the cover of the June edition of Family Matters 2020, as his family surprised him with a drive-by parade of cars for his 102nd birthday. Now 103 years young, his daughter sent us a picture of Bob celebrating his birthday. As you can see, he looks fantastic. A World War II veteran, he was recently interviewed by Channel 5 for his heroic actions during the war. A link to the interview can be found on our website (under News and Events).

Please refer to our website (annamariaofaurora.com) for guidelines and updates on indoor visitation. Thank you! Please note that masks (surgical, no cloth) MUST continue to be worn! Activities and bus rides are back, and we are so excited. Please refer to the **June calendars on our website** (under News & Events tab) for detailed information on all the fun activities planned for our residents during the month of June!

Ginny is lovely inside and out

Ginny and Robert

“At the young age of 92 Ginny enjoyed a 50-mile motorcycle ride in the country with her son.”

Though she was born in Pittsburgh, Anna Maria Norwood resident is most certainly not a Steelers fan. Thank goodness. She actually prefers baseball. Born during the beginning of the Great Depression, Ginny’s father lost his job when she was four years old, forcing the family to move. An opportunity opened here in Ohio, in Twinsburg, and the family relocated there. Soon after, he lost that job as well. Tough times for sure, however, when a door closes a window opens. That window came in the form of a farm. The family could afford just enough livestock and crops to sustain themselves. Ginny learned to milk cows and how to can and preserve fruits and vegetables. Her father secured employment with the WPA (Works Progress Administration) and CCC (Civilian Conservation Corps), two government agencies that offered Americans assistance with finding employment during these tough times. Thankfully, due to the farm and her father’s dealings with these two agencies, the family always had food on the table, a luxury during these tough times. Family and friends would often stop by to visit and grab a bite to eat.

At age 20, Ginny married Robert Richner, her high school sweetheart. They were blessed with three wonderful children: Andy, Paula, and Keith. After the birth of Andy, Robert and Ginny settled in Aurora, building their own house with the assistance of family. Ginny fondly recalls hammering away at many a nail.

Raising three active children kept Ginny very busy as a mother and homemaker, however, when the kids were a bit older, Ginny spent much of her time (well, 20 years actually) volunteering at the Hattie Larlham Foundation, in Mantua, a home providing medical and residential services for children and adults with disabilities. After Robert retired from the Twinsburg Banking Company, the couple traveled extensively, traveling to all 50 states, France and Scandinavia. A favorite destination? An African Safari.

The couple moved to a beautiful retirement community in South Carolina and enjoyed this lifestyle for 17 years, but due to health issues, moved back to Aurora to be closer to family. Robert was in need of rehab, and on the advice of their doctor, chose Anna Maria of Aurora. Sadly, Robert passed away just after a few days of admittance, right before the couple’s 71st wedding anniversary.

Ginny moved into an independent “Norwood” apartment, and hasn’t slowed down one bit. Last summer, at the young age of 92, she enjoyed a 50-mile motorcycle ride in the country with her son. She is active in the many activities offered here on the campus (post-Covid), especially anything exercise-related. She is excited to once again enjoy the bus outings to restaurants and museums. Ginny is a true delight and we hope God will continue to bless her with good health and happiness.

Flowers in Bloom

Where flowers bloom, so does hope (Lady Bird Johnson) - Many thanks to Mrs. Bianco's 3rd grade class at Saint Rita School in Solon for their lovely donation of potted petunia plants with handwritten inspirational bible verses. This was a service project for the students, and they chose Anna Maria of Aurora as the recipient

Genee H. is so happy to receive a flower pot

Welcome Back Sharon Rine!

After a leave of absence during Covid, we are so excited to welcome back hospitality aide Sharon Rine. Sharon has been with Anna Maria for over 20 years, and was greatly missed by residents and employees. She is back in full swing and we couldn't be happier. Just one more great example of "returning to normalcy" after Covid.

Voices in the Hub

After a year of silence, it's nice to once again have residents and family members chit-chat in the Anna Maria "Hub" area. Virginia Gharky recently met up with an old friend and had a great time catching up.

Raising Funds for the Alzheimer's Association

Congratulations to Jackie Gerspacher, Social Worker at Anna Maria, who was the winner of our fundraiser raffle basket, complete with a beautiful rose bush, \$50 Visa gift card, lavender soy candle, and a Dr. Teal's bath set. We raised \$143.00 for the Alzheimer's Association: Greater East Ohio Chapter. The next big Alzheimer's Association fundraiser? Our awesome Car Show, one of the biggest and best in the area. Mark your calendar and stay tuned!

Happy Birthday Genevieve!

As we know, most residents were unable to celebrate birthdays and other special occasions with their loved ones last year due to Covid. Anna Maria North resident Genevieve Mustin took full advantage of celebrating her 97th birthday with her immediate family. Such a happy occasion.

Root Beer Floats

You know it's summer when the root beer floats come out. Anna Maria residents enjoyed that "first sip of summer." So refreshing!

Happy Mother's Day! We LOVE You Mom!

Though Mother's Day 2021 was a bit better than 2020 (nursing home families were allowed to visit following set guidelines), due to government restrictions, we were unable to coordinate a social gathering of residents and family members like previous years. We did, however, make certain all moms were treated like QUEENS! Residents at Kensington enjoyed a "paint and sip," while Anna Maria residents opened lovely cards and received a lovely chocolate rose.

The Wheels on the Bus Go Round and Round

The wheels were a bit rusty after a one year rest, but the wheels are in motion once again. Residents can once again enjoy weekly bus trips, sightseeing around town. Welcome back bus driver Frank; we sure missed you.

Italian Night... *I primi piatti di questo ristorante sono deliziosi*

(The first courses at this restaurant are delicious). The kitchen at Kensington transformed into an Italian bistro one fine evening, serving delicious pasta and meatballs, salad, and garlic rolls for our residents to enjoy. Oh, so delicious. The residents got a big kick out of the Italian ambiance and of course, the great food. Next month.... Mexican night.

Amber Reed and Chae Bivins – the “creators” of Italian Night

Friendly servers – How may we help you?

Nothing more Italian-looking than this table setting

Cinco de Mayo

Residents at Kensington celebrated Cinco de Mayo in a most delicious way – with a 7-Layer Dip! Salsa dancing and singing rounded out the festivities. Ole!

Looking Good Ladies!

Why do our female residents look – oh, so beautiful? We can thank our in-house staff cosmetologist, Robin Trautman, for all the good-looking hairstyles. Robin goes above and beyond providing top-notch “beauty” care to our residents. A sign-up sheet is provided at each nurse’s station to register your loved one for hair services.

Let's Do the Twist

Outdoor entertainment is back and we couldn't be happier. Sam Fosh, one of our favorite entertainers, got the crowd a movin' and a shakin' with favorites like the Cupid Shuffle and the Twist.

Ginny R. leads the way with the Twist

Gary is a movin' and a shakin'

Just enjoying the festivities

What in the World....

A possible new resident? No, just a friendly (and big) frog hopping through the courtyard.

Calling all Card Players! Yes, You!

Do you enjoy a good game of cards?

Are you especially interested in Bridge and/or Cribbage?

If so, see AL/IL Activities Director Lisa McFarland to sign up!

Lisa is looking to start a weekly card-playing group. Even if you're not "into" cards, sign up anyway and meet some new people!

Thirsty Thursday is Back!

Exactly what is Thirsty Thursday? An opportunity to socialize (finally, once again) and enjoy some great snacks and a few drinks. As you can see, Thirsty Thursday is a big hit with our residents!

Spreading Love Wherever He May Roam...

In-House Resident Therapy dog Bowie spreads love and happiness wherever his paws may take him. He trotted through the Hub area and stopped to spread some love to receptionist Carey Norton.

Mary, Mary, Quite Contrary...

How does your garden grow? Very nicely, thank you very much. A few residents, along with AL/IL Activities Director Lisa McFarland and Driver “Green Thumb” Ernie Quesenberry spent an afternoon planting lots of vegetables and pretty flowers in the raised boxes in the Grande Courtyard. We hope to enjoy an abundance of fresh vegetables later in the summer. Watch for more pictures in the August edition of Family Matters.

The Next Mona Lisa?

Well, not quite, but our residents do enjoy painting and are quite talented. Activities Assistant Jazmin Williams comes up with many creative crafts for our residents to enjoy.

Ellen R. begins her masterpiece

Ellen R. and her completed masterpiece – Wow!

James C. – what a great picture

Peggy S. had a lot of fun with this craft

A Special Mother's Day Celebration

Due to different guidelines established by ODH for assisted and independent living, residents were able to enjoy a glorious afternoon with loved ones in great outdoors (aka Anna Maria Grande Courtyard Gazebo). Though the entertainment and delicious goodies were a big hit, the best part of the afternoon was just hanging out with family members. God bless all the moms out there!

What a GREAT day!

June is...

JUNE is Great Outdoors Month, and there is certainly no shortage of ways to enjoy the great outdoors. It's the perfect time to get outside and start a new adventure, whether it's hiking, biking, rock climbing, or just walking through your neighborhood. Did you know that there are 388 national parks in the United States? One of the best is right here in Northeast Ohio: Cuyahoga Valley National Park.

Calendar

June 1 – Say Something Nice Day – or don't say anything at all

June 4 – National Donut Day! It's a great excuse to enjoy one of the most beloved pastries. Score a free donut at Dunkin' Donuts (with purchase of a beverage), or a Krispy Kreme, no purchase necessary

June 5-13 – National Fishing and Boating Week – what a great way to relieve stress, relax, and enjoy wildlife. Most states offer free fishing days on public bodies of water during the "Go Fish" week

June 10 – Annular solar eclipse (also known as "ring of fire") will pass over the North Pole. See below for more information on this phenomenon! **

June 14 – Flag Day! Honor this great country of ours by proudly flying Old Glory

June 20 – Father's Day – May God continue to bless these good men in our life!

June 20 – Summer has officially arrived! Also known as summer solstice, this is the longest day of the year, with 15 hours and 4 minutes of daylight. Enjoy every minute of this glorious day!

** On June 10, the annular solar eclipse – also known as the “ring of fire” – will pass over the North Pole. This phenomenon occurs when the moon passes between earth and the sun, leaving only the sun’s outer edges visible. It’s the only such eclipse that will take place in 2021. It’s also the first time since 2012 that an annular eclipse will be seen in North America, mainly visible in Canada, Greenland, and Russia. The next “ring of fire” eclipse will occur Oct. 14, 2023, and will cross over Arizona, California, Colorado, Nevada, New Mexico, Oregon, Texas, and Utah.
