

High School SCHOLARSHIP PROGRAM

Dining Services at The Campus of Anna Maria

As part of The Campus of Anna Maria's overall initiatives to support our local community, as well as to meet the organization's staffing needs, Anna Maria has created a scholarship program for high school juniors and seniors who are employed part-time in dining services on our Campus.

PROGRAM ELIGIBILITY & DETAILS

- ✓ To receive a scholarship, the employee must be at least **16 years old** and a high school junior or senior at date of hire.
- ✓ The employee must be employed for **one full year** from date of hire (volunteer hours are not included, for example) in the dining services departments. The employee can work in any of our three dining services departments – Kensington at Anna Maria, Anna Maria nursing facility or Anna Maria assisted/independent living.
- ✓ The employee's employment must be **continuous** over the course of the year. Existing employees (high school juniors & seniors) will qualify for the program, but with a program start date in 2026.

SCHOLARSHIP LEVELS

The amount of the scholarship corresponds to the hours worked over the one year from date of hire. The scholarship is based on the total hours worked after one year – not a weekly or monthly requirement.

SCHOLARSHIP LEVEL	SCHOLARSHIP AMOUNT
LEVEL I Worked on average 7 hours a week x 52 weeks = 364 hours worked	\$1,000
LEVEL II Worked on average 12 hours a week x 52 weeks = 624 hours worked	\$1,500
LEVEL III Worked on average 16 hours a week x 52 weeks = 832 hours worked	\$2,000

Starting hourly wage is \$14 with no experience; up to \$15 with experience.

Current 4-hour shifts are 4pm- 8pm or 9pm.

Scholarships will be paid out within 30 days of completing the one year from date of hire, and meeting all the requirements.

There is no requirement for the student to show proof of how the scholarship disbursement is going to be spent.
